

Carat helps leading brands drive revenue, reduce costs and grow at global scale. Here's how our expertise in payments, POS systems, software and security helped a major arena take the fan experience to new heights.

A photograph of the American Airlines Arena at dusk. The building is illuminated with warm lights, and the sky is a deep twilight blue. Palm trees and streetlights are visible in the foreground, and a few cars are parked on the street. The text is overlaid in white, bold, sans-serif font.

Our client needed an integrated, cloud-based POS to help accelerate consumer throughput and create new touchless experiences.
